
Level: L&
Group: 06/07

Module: Study Skills
Academic Year: 2021/2022

Teacher: Ms. Ghennai

Task1: According to your experience in different schools (primary, middle, secondary...), what activities does studying include?
Draw a mind map to organize your ideas.

Task 2 (Classroom discussion): Tell your classmates about your BAC experience, what studying strategies were effective and successful?

Task 3: Listen to your classmates' experiences and answer the following questions.

What strategy worked well for you, too?

.....
.....

What strategy didn't work well for you? Why?

.....
.....

What strategy was surprising? Interesting? What would you like to try?

.....
.....
